

DAY 3 | MAY 17TH 2023

BUSINESS SESSIONS- CLOSING LUNCH 09.00-13.00 hrs.

- **Welcome coffee..... 08.30-09.00 hrs.**
- **Opening by Han Ozturk, DBTG President..... 09.00-09.10 hrs.**

ENERGY AND SUSTAINABILITY

Interactive audience discussion

What do our Members see as their role in the changing Energy world? How do we position ourselves or are we forced by Authorities? Are the changes we are making driven by our customers and their changing product portfolio's or do we want to broaden our services ourselves?

Plenty of issues that are driving us on a daily basis.

- **Trudy Larnach**
Manager Sustainability & Corporate Affairs
Port Waratah Coal Services: *Introduction* **09.10-09.30 hrs.**

FORUM DISCUSSION

With introduction speeches from the participants, moderated by Han Ozturk, President of DBTG:

- **Jurgen Franke**, Director of Projects and Engineering, Neptune Terminals
- **Trudy Larnach**
Together with the panel and the audience Han Ozturk will discuss if it is worth trying to find a common ground for DBTG Members towards a system where our industry could take a leading role in this field.
