

25TH ANNIVERSARY // OPERATIONAL & TECHNICAL CONFERENCE 11- 12 NOVEMBER 2024
LONDON | UNITED KINGDOM

Join us for the Operational & Technical Conference and our 25th Anniversary of DBTG. This will be a very interactive and festive edition, taking place in 2 iconic London institutions: IMO headquarters and The Shard. With a guided tour in the buildings of the International Maritime Organization (IMO) to get introduced to the working of IMO.

Celebrating our 25th Anniversary, we have pleasure in announcing a festive gala dinner in another iconic building: London's Trinity House. Trinity House is the General Lighthouse Authority for England, Wales, the Channel Islands and Gibraltar. The organization is responsible for a range of general aids to navigation, 'signs of the sea', from lighthouses to radar beacons. The protecting Master of Trinity House is HRH Princess Anne.

Please be aware that we have chosen for another set-up in days as we start the first day (11th) at 09.00 (9 am) and the second day (12th) we finish the conference with a festive gala dinner in Trinity House. The Golf Tournament will take place on the 3rd day, i.e. 13 November.

CONFERENCE REGISTRATION

Register via the conference registration form at our website www.drybulkterminals.org. The Conference takes place in two full days in two iconic locations in London: the IMO headquarters (11th November 2024) and in the Shard (12th November 2024).

HOTEL REGISTRATION IN HYATT REGENCY LONDON

We have a room block in the Hyatt Regency hotel in London, 2 minutes walking distance from IMO offices. Book your hotel room with our special DBTG rate in the Hyatt Regency London Albert Embankment. This rate is only for delegates of the DBTG Conference and can be taken between 9-14 November 2024. Please note that rooms should be booked until 9th of October 2024. Accommodation is offered in standard rooms with one European size king bed. The rate includes buffet breakfast. Rate for single occupancy is 285 GBP per night and double occupancy is 307 GBP per night (including VAT). You can use our hotellink at our website www.drybulkterminals.org.
